Sunday, September 12th 12:00 Noon

Buckeye Brewing Company
9985 Walford Ave., Cleveland

Ride your bike to Buckeye, be here by Noon

After a quick tour of the Brewery, we will bike to BEER ENGINE at 1pm with the 2010 Cleveland Beer Week Commemorative India Black Ale keg that will be towed by bike to the ENGINE! This will be the first taste of this brew.

**BEER ENGINE is located at:
15315 Madison Ave., Lakewood
(this will be a 25-35 minute bike ride)**

**At BEER ENGINE contribute \$10 to
'Aluminum Cans for Burned Children'**

Your donation is used 'to help children who suffer severe burn injuries. The ACBC program pays for special medical equipment not normally covered by insurance to aid in the healing process. ACBC strives to meet the individual needs of the patients and provides rehabilitation, clothing, toys, games, computer and video equipment, and other miscellaneous items not covered by insurance.'

Besides your helpful contribution to ACBC, you will receive a pint of the special CBW Commemorative Ale.

Bring your friends to bike, or have them meet us at BEER ENGINE. They too can contribute to ACBC to make a donation and receive a special pint.
